## COLECCIÓN QUINQUELA

The Colección QUINQUELA wine series is made in homage to Benito Quinquela Martín. The very best fruit is chosen from the estate vineyards to create the most expressive, artistic blend in any given year.

### **A PLENO SOL MALBEC / BONARDA RED BLEND**

A juicy, flavorful red with cherry and vanilla character, medium body and round tannins. Some smokiness on the finish.

### **MOTIVO DE PUERTO MALBEC / CABERNET RED BLEND**

A delicious nose of blackberries, herb liqueur, pressed violets and lavender. Full-bodied with plenty of soft fruit, supported by some structured tannins.

**“It seems that my mission on earth is to paint the sea, the river, the ships; but not to sail them.... I'm an inland sailor, a port sailor. Most of all, at the port of La Boca, which I dare call my port of salvation.”**

**- Quinquela Martín**
