Carl Reh

FINEST GERMAN WINE
SINCE 1920

CARL REH has founded his winery in 1920 in Leiwen in the heart of the middle Mosel valley. Behind the Carl Reh name is a tradition of passionate winemaking to create wines of the highest quality. This tradition has passed from generation to generation for more than 90 years and even today, the family's third generation is dedicated to producing elegant and fine fruity wines that present a perfect harmony of tradition and modern spirit.

CARL REH RIESLING A long ripening period allows the grapes to develop a complexity of flavors and aromas reminiscent of peaches and apricots, with a subtle twist of lemon.

CARL REH SWEET RED Carl Reh Sweet Red Wine has aromas of cherry and blackberry and just a hint of spice. Native red wine grapes give this wine a wonderfully deep red color.

CARL REH PIESPORTER Carl Reh Piesporter Michelsberg Riesling Spätlese has aromas of ripe exotic fruits and peaches. The natural sweetness in the wine is balanced by the grape acidity to give a very fresh feel to the wine.
