Training system: Overhead trellis

Vineyard Planting Year: 2003-2010

Bottles produced: 30.000

Size: 750 ml

Bold, fresh and highly enjoyable, this contemporary expression of Abruzzo, where local roots bring together and inspire, and never to restrict. The eye catches a bright and intense colour; the bouquet is dominated by intense notes of red berries with a fresh hint of underripe Marasca cherry. On the palate, complex notes of red fruit combine with a pleasant freshness and well-balanced acidity.
