

TRE SAGGI MONTEPULCIANO D'ABRUZZO DOC

Our link to the Abruzzi region, to its history, and our roots represent the basis for all the names selected for Talamonti wines. Therefore, the choice to link the Montepulciano d'Abruzzo grape, the region's prince red grape to one of the most important landmarks was obvious.

ATERNVM TREBBIANO D'ABRUZZO DOC

The link to the Abruzzi region, to its history, and our roots represents the basis for the selection of all the names of Talamonti wines. Therefore the choice to link the Trebbiano d'Abruzzo, prince white grape of the Abruzzi, to one of the most important landmarks of the area was clear.

TRABOCCHETTO PECORINO SUPERIORE ABRUZZO DOC

The term Trabocchetto to local historians, the Trabocco (or Trabucco) was a fishing innovation imported from the Middle East with literature references dating back to the 18th century. These ancient fishing machines were quickly adopted throughout the Adriatic Coast.
