NOBLE ONE

Botrytis Semillon

Variety Botrytis Semillon

Region Riverina

Vineyard We source fruit from the same vineyards each year that have a history of producing high quality Botrytis wine. 50% is from our own estate vineyards here at Bilbul and 50% from another grower at nearby Yenda whose vineyard has had an enduring relationship with Noble One.

Size: 375 ml

Tasting Notes A tapestry of nectarines and peaches, mandarin zest, drizzled with a little spiced honey and vanilla scents. Rich, complex yet refined with a beautiful balance of sweetness and acidity aftertaste completing the picture deliciously.

Winemaker: Julie Mortlock

Winemaking Careful and constant monitoring of the vineyards determines the best time to harvest the fruit for Noble One, when both the Botrytis flavor and sweetness levels are in unison. Each vineyard is treated individually with 85% being matured in a combination of new and older French oak barriques. We then take the very best parcels and weave them together, fusing a harmonious blend of Noble One.

Wine Analysis Alc/Vol 10.0%, pH 3.56, & TA 9.9 g/L
