Black Tower Club Edition Sauvignon Blanc, Qualitätswein, Pfalz

A fresh, juicy and flavorful Sauvignon Blanc from Germany's Pfalz region. The tantalizing aromatic and exotic taste is reminiscent of passion fruit, guava and grapefruit with subtle aromas of freshly cut grass and a hint of minerality.

Black Tower Club Edition Riesling, Qualitätswein, Rheinhessen

Traditional mouthwatering German Riesling with notes of citrus, apple and juicy peach. The heritage and terroir of this varietal can be tasted as a slightly mineral and subtle salty aroma. The particular treatment of the wine before bottling gives this wine a strong, yet well balanced body.

Black Tower Club Edition St. Laurent, Qualitätswein, Pfalz

The Sankt (St.) Laurent grape yields dark, fruity red wines. Like all members of the Pinot family, it grows best on calcareous soil. It creates a full-bodied, smooth red wine with oral aromas and juice red fruit flavors.
