

NIKOLAOU estate

Kydonitsa Nikolaou

Varietal Composition: Dry White Wine from 100% Kydonitsa BIO Grapes.

Origin: The grapes are organically grown in the private 1h vineyards of Nikolaou family at the area of Douramani, with an average vine age of 6yrs.

Production: Hand harvest takes place early September once the grapes reach the desired level of phenolic and alcoholic maturity.

Characteristics: Vibrant citrus fruit aromas, sweet buttery aftertaste with balanced acidity.

Serving: At a temperature of 12 degrees Celsius.

Food Combination: Light meals and seafood.

Alcoholic Strength: 13%
