Willamette Valley Pinot Noir

Variety Pinot Noir

Region Chehalem Mountain, Oregon

Vineyard Chehalem Winds

Tasting Notes This is a blend of two of our newest vineyards. One is a mature vineyard with Pommard and a mix of heritage and Dijon clones that gives the structure, aromatics and depth that we consider classic traits in Pinot Noir. The balance is from a younger Dundee Hills site planted with Swan clone of Pinot Noir. From here we get fruit, texture, and lively acidity. Together they make an absolutely perfectly balanced pinot noir that we feel will age gracefully for a decade. Enjoy with your dearest friends! Only 180 cases produced.
