Site-Specific, Small Batch Oregon Wines

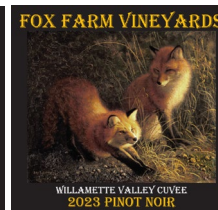

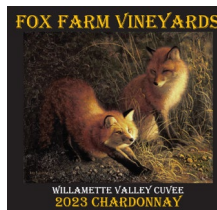

Two friends dream; the Fox Farm Vineyards

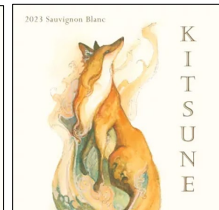

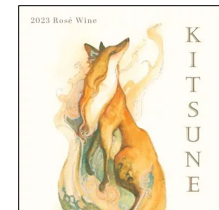

Tom and David created the winery together with food and fun in mind. Our Willamette Valley Cuvee wines are made to highlight the beauty of meals shared together.

We invite you to visit our estate vineyard in Dundee, Oregon, with its beautiful soil, topography, and east-by-southeast facing slope. We thank the late Doctor Gary Andrus (Archery Summit and Pine Ridge) for being our Jedi years ago, and for approving our home property as suitable for Dundee Hills Pinot Noir!
